

The Urban Cruiser Hyryder Neodrive E Variant boasts a 1462 cc (cm³) petrol engine, delivering a robust maximum power of 75 kW (101.9PS) at 6000 rpm and a torque of 135Nm at 4400 rpm. This variant operates with a 5-speed manual transmission and features a 2WD drive type.

In terms of dimensions, it measures 4365 mm in length, 1795 mm in width, and 1635 mm in height, with a wheelbase of 2600 mm and a turning radius of 5.4 m. It offers a seating capacity for 5 individuals and is equipped with a fuel tank capable of holding 45 liters of petrol.

The suspension system of the Urban Cruiser Hyryder Neodrive E Variant consists of MacPherson struts at the front and torsion beams at the rear. Braking is facilitated by ventilated discs at the front and solid discs at the rear. It rides on steel wheels with full wheel caps, fitted with 215/60 R17 tires.

However, details regarding the hybrid system, battery type and voltage, motor generator type, and total system max power are not provided for this variant.

Exterior Features as follows :

The Urban Cruiser Hyryder Neodrive E Variant features Bi-Halogen Projector Headlamps, with available LED Position lamps and Twin LED Day-time running lamps/Side turn lamps. Auto Headlight functionality is unavailable, but manual Headlight leveling is available. LED Tail Stop Lamps and High mount stop lamps are also available. Follow me home headlamps are not provided in this variant.

Additionally, the variant includes Outside Rear View Mirrors (ORVM) with turn indicators, while the Front Upper Grill - Unique crystal acrylic type is not available. Black wheel arch cladding for both the front and rear, along with Silver Back door garnish and Silver Skid Plates (Front & Rear), are present.

Certain features such as Roof Rails and Front Variable Intermittent wipers are not available. However, Front Windshield, Front Door, Rear Door, Quarter, and Back Door Green Glass are included. Roof end spoilers, Side under protection garnishes, Sharkfin Antennas, and Body-colored outside door handles are also provided.

Safety Features as follows

In terms of safety and security, the variant comes equipped with Dual Front Airbags (Driver + Co Driver), Front seatbelt pre-tension & force limiters, Adjustable shoulder anchors for front seatbelts, ISOFIX Child Seat Restraint System, ABS with EBD, Vehicle Stability Control, Hill Hold Control, Tire-pressure monitoring systems (TPMS) are unavailable, Immobilizer, Advanced Body Structure (TECT Body), Side Impact Protection Beam, Pedal release system, Rear Parking Sensors, Day/night rear-view mirrors (Manual), Child-proof rear door locks, and Warning Lamp/ Reminder for (Low Fuel, Door Ajar, Headlamp On), and Speed Warning Buzzer*4.

Interior Features as follows

The Urban Cruiser Hyryder Neodrive E Variant offers a Black interior, while Dual tone Black x Brown interior is unavailable. It does not feature Ambient lighting. Additionally, the variant does not come with the New Smart Playcast Touchscreen Audio system, which would include features like MP3/AM/FM/Bluetooth/USB/Smartphone Connect (Apple CarPlay/Android Auto) and compatibility with Hey Siri, Hello Google.

Furthermore, Arkamys Sound tuning and Premium sound with special speakers are not available. However, the variant does come equipped with 4 speakers (2 nos) but does not include Tweeters. The Information display is a 4.2-inch TFT Color screen.

Soft touch IP with premium stitch is unavailable, while Chrome inside door handles and IP Garnish (Gloss Silver) are available. The Front (side) ventilation knob and the Centre ventilation knob & fin come with Satin chrome and Satin silver finishes, respectively.

Other features include Steering Garnish (Satin chrome), Shift Garnish (Gloss black paint + Satin silver

paint) made of Resin, and Hazard Garnish (Outer) with a Satin silver finish, also made of Resin. The Air conditioner Control Panel comes in Matte black, while the Rear AC vent Garnish & Knob is in Satin chrome and Resin. Front door garnish is available in Silver, and Door armrests are made of Black Fabric.

The variant features Switch bezels made of Resin, Artificial Leather seats with perforations in black fabric, and Assist Grips (3 nos). However, Luggage Shelf Strings are unavailable. Spot map lamps and Reading Lamps (one on each side of the roof) are available, but Trunk/Luggage room lamps, Glove box lights, Front footwell lights (Driver & Co-driver side), and Courtsey lamps are not provided.

Comfort & Convenience :

The Urban Cruiser Hyryder Neodrive E Variant does not feature a Panoramic Sunroof, Head-up Display, Wireless Charger, or Toyota i-Connect. However, it does come with a Front sliding armrest with storage and Adjustable Tilt & Telescopic steering. The variant lacks USB ports in the Front and Rear.

It features Power Steering (EPS) but does not include Cruise Control or Paddle Shift. Steering mounted commands are available for Audio only. The variant is equipped with Auto air conditioner, Rear AC vents, and a PM2.5 filter.

Ventilated seats (D+P) and Drive mode switch are unavailable. However, it does have Driver seat height adjustment, Seat back pockets for Driver and Passenger, and Separately folding rear seat backs & cushions (60/40). Reclining rear seats and removable type Rear headrests (3 nos) are also included.

Furthermore, the variant comes with a Rear center armrest with cupholder, Keyless Entry, Push start/stop button, and Power door locks (Central Locking). It has Front & rear door pet bottle holders (1000ml) and Power windows with D-side auto up/down functionality.

Auto folding outside mirrors are unavailable, but it does feature Electric outside mirrors with electric fold. The Driver and Passenger vanity mirrors are available, but the vanity mirror lamp is not included. A ticket holder for Driver and Passenger and a Centre console with cupholders (2 cups) are also provided.

Accessory sockets are available in the Center console, but not in the Luggage room. The variant features a Gear Shift indicator and a Driver footrest.

The Urban Cruiser Hyryder Neodrive G Variant is powered by a 1462 cc (cm³) petrol engine, delivering a maximum power of 75 kW (101.9PS) at 6000 rpm and a maximum torque of 135Nm at 4400 rpm. This variant features a hybrid system, but details regarding total system maximum power, battery type, battery voltage, motor generator type, maximum power, and maximum torque are unspecified. It is available with either a 5MT or 6AT transmission and a 2WD drive type.

In terms of dimensions and weight, it measures 4365 mm in length, 1795 mm in width, and 1635 mm in height, with a wheelbase of 2600 mm and a turning radius of 5.4 m. It has a fuel tank capacity of 0.045 m³ (45 l) and a seating capacity of 5. The kerb weight ranges from 1155 kg to 1275 kg, and the gross vehicle weight varies depending on the configuration: 2WD 5MT - 1645 kg, 2WD 6AT - 1670 kg, or AWD 5MT - 1715 kg.

The Urban Cruiser Hyryder Neodrive G Variant is equipped with a MacPherson strut front suspension and a torsion beam rear suspension for comfortable driving dynamics. Braking is facilitated by ventilated discs in the front and solid discs in the rear, ensuring efficient braking performance. It rides on steel wheels with full wheel caps, fitted with tires sized at 215/60 R17, providing stability and grip on various road surfaces. The Urban Cruiser Hyryder Neodrive G Variant Exterior features projector headlamps with bi-halogen bulbs, along with available LED position lamps and twin LED daytime running lamps/side turn lamps. While auto headlights and follow-me-home headlamps are unavailable, manual headlight leveling is provided for adjustment. LED tail stop lamps and high mount stop lamps contribute to enhanced visibility. This variant includes outside rearview mirrors (ORVMs) with turn indicators and black wheel arch cladding for added protection. The back door garnish is silver in color, while roof rails are not available. Silver skid plates adorn both the front and rear of the vehicle.

While front variable intermittent wipers and rear window wipers/washers are unavailable, the vehicle

features green glass for the front windshield, front doors, rear doors, quarters, and back door. Optional stylish dual-tone exteriors are not available, but a roof-end spoiler, side under-protection garnish, and sharkfin antenna are included.

Chrome belt line garnish is not provided, but body-colored outside door handles add to the sleek appearance of the vehicle. Overall, the exterior design of the Urban Cruiser Hyryder Neodrive G Variant combines style and functionality to create a distinctive look on the road.

The Urban Cruiser Hyryder Neodrive G Variant prioritizes safety and security with features such as dual front airbags for the driver and co-driver, a reverser parking camera for enhanced visibility while reversing, front seatbelt pre-tensioners and force limiters, and adjustable shoulder anchors for the front seatbelts. The rear seatbelts are of the 3-point type for both side and center positions, and there is a seat belt reminder system for both driver and co-driver, utilizing a combination of a lamp and a buzzer. Additionally, it incorporates the ISOFIX child seat restraint system for added safety.

The vehicle is equipped with ABS (Anti-lock Braking System) along with EBD (Electronic Brakeforce Distribution), ensuring effective braking performance. Other safety features include Vehicle Stability Control, Hill Hold Control, an immobilizer, an Advanced Body Structure (TECT Body) for enhanced crash protection, side impact protection beams, a pedal release system, rear parking sensors, a day/night rearview mirror, child-proof rear door locks, and warning lamps/reminders for low fuel, door ajar, and headlamps on. Moreover, it comes with a speed warning buzzer system.

However, certain advanced safety features such as front side and curtain airbags, surround view monitor (360-degree camera), hill descent control, and tire-pressure monitoring system (TPMS) are not available in this variant.

The Urban Cruiser Hyryder Neodrive G Variant Interior features comes with a black interior, as the dual-tone black x brown interior option is not available. It does not feature ambient lighting, but it does include a new Smart Playcast touchscreen audio system with MP3/AM/FM/Bluetooth/USB connectivity and smartphone integration via Apple CarPlay and Android Auto. This audio system is compatible with voice assistants such as Hey Siri and Hello Google, and it features a 17.78cm (7-inch) display.

The variant lacks Arkamys sound tuning and premium sound with special speakers, but it does offer a total of four speakers. However, tweeters are not available. The interior features a 4.2-inch TFT color information display and chrome inside door handles. Gloss silver IP garnish, satin chrome front (side) ventilation knob, satin silver center ventilation knob & fin, and satin chrome steering garnish enhance the interior aesthetics.

Other interior features include shift garnish with gloss black paint + satin silver paint, hazard garnish with satin silver (both made of resin), matte black air conditioner control panel, satin chrome rear AC vent garnish & knob (made of resin), silver front door garnish, black fabric door armrests, resin switch bezels, artificial leather seats with perforations (black fabric), three assist grips, luggage shelf strings, spot map lamp (roof front), reading lamps on each side of the roof, trunk/luggage room lamp, glove box light, and front footwell lights for both driver and co-driver sides. However, courtesy lamps are unavailable in this variant.

The Urban Cruiser Hyryder Neodrive G Variant offers a range of comfort and convenience features to enhance the driving experience. While it does not include a panoramic sunroof, head-up display, or wireless charger, it does come equipped with Toyota i-Connect for seamless connectivity. Additionally, the variant features a front sliding armrest with storage, USB ports (one in the front and two in the rear), and adjustable tilt & telescopic steering for personalized driving comfort.

Power steering (EPS) ensures effortless maneuverability, while cruise control adds convenience during long drives. Steering-mounted controls for audio, Bluetooth, and cruise control are also available for easy access to essential functions. Paddle shifters are available in the automatic transmission variant.

The Urban Cruiser Hyryder Neodrive G Variant features an auto air conditioner with rear AC vents to maintain a comfortable cabin temperature. It also includes a PM2.5 filter for improved air quality.

However, ventilated seats and a drive mode switch are not available in this variant.

For added convenience, the driver's seat offers height adjustment, and seat back pockets are provided for both driver and passenger. The rear seats can be separately folded in a 60/40 split configuration, and they feature reclining functionality for enhanced comfort. Additionally, the variant includes removable rear headrests and a rear center armrest with cupholders.

Keyless entry and push start/stop button streamline the vehicle's operation, while power door locks ensure security. Bottle holders are available in both front and rear doors, and power windows with driver-side auto up/down functionality add convenience. Electric outside mirrors with electric fold function are included, along with vanity mirrors for both driver and passenger sides. However, a vanity mirror lamp for the driver and passenger is unavailable.

Other features include a ticket holder, a center console with cupholders, accessory sockets in the center console and luggage room, a gear shift indicator (available in manual transmission only), and a driver footrest for added comfort during long journeys.

The Urban Cruiser Hyryder Neodrive S Variant features an engine with a displacement of 1462 cc (cm³) and operates on petrol, delivering a maximum power of 75 kW (101.9PS) at 6000 rpm and a maximum torque of 135Nm at 4400 rpm. It incorporates a hybrid system with an ISG of 12V - 6Ah (Li-ion) *6, but the details regarding total system maximum power, battery type, battery voltage, and motor generator type are unspecified. The transmission options include 5MT or 6AT, with a drive type of 2WD. In terms of dimensions and weight, it measures 4365 mm in length, 1795 mm in width, and 1635 mm in height, with a wheelbase of 2600 mm and a turning radius of 5.4 m. It has a fuel tank capacity of 0.045 m³ (45 l) and a seating capacity of 5, with a kerb weight ranging from 1155 kg to 1275 kg and a gross vehicle weight depending on the configuration: 2WD 5MT - 1645 kg, 2WD 6AT - 1670 kg, or AWD 5MT - 1715 kg.

The Urban Cruiser Hyryder Neodrive S Variant is equipped with a MacPherson strut front suspension and a Torsion beam rear suspension. For braking, it features ventilated discs in the front and solid discs in the rear. It rides on steel wheels with full wheel caps, sized at 215/60 R17. In terms of exterior features, it boasts bi-halogen projector headlamps, LED position lamps, twin LED daytime running lamps/side turn lamps, and LED tail stop lamps, along with a high-mount stop lamp. Other exterior highlights include ORVMs with turn indicators, black wheel arch cladding, silver back door garnish, silver skid plates at the front and rear, a roof-end spoiler, side under-protection garnish, and a sharkfin antenna. Additionally, it features green glass for the front windshield, front doors, rear doors, quarters, and back door. However, it lacks auto headlight functionality, follow-me-home headlamps, front upper grill (unique crystal acrylic type), roof rails, front variable intermittent wipers, rear window wiper and washer, optional stylish dual-tone exterior (in selected colors), and chrome beltline garnish. Nonetheless, it does have manual headlight leveling and body-color outside door handles.

The Urban Cruiser Hyryder Neodrive S Variant prioritizes safety and security with features such as dual front airbags (for both driver and co-driver), a reverse parking camera, front seatbelt pre-tensioners and force limiters, and adjustable shoulder anchors for the front seatbelts. The rear seatbelts are of the 3-point type for both side and center positions, and there is a seat belt reminder system for both driver and co-driver, utilizing a combination of a lamp and a buzzer. Additionally, it incorporates the ISOFIX child seat restraint system for added safety.

The vehicle is equipped with ABS (Anti-lock Braking System) along with EBD (Electronic Brakeforce Distribution), ensuring effective braking performance. Other safety features include Vehicle Stability Control, Hill Hold Control, an immobilizer, and an Advanced Body Structure (TECT Body) for enhanced crash protection. It also has a side impact protection beam, a pedal release system, rear parking sensors, child-proof rear door locks, and warning lamps/reminders for low fuel, door ajar, and headlamps on. Moreover, it comes with a speed warning buzzer system.

However, certain advanced safety features such as front side and curtain airbags, surround view monitor (360-degree camera), hill descent control, tire-pressure monitoring system (TPMS), and auto-dimming rearview mirror are unavailable in this variant.

The Urban Cruiser Hyryder Neodrive S Variant offers interior features such as a black interior with features like a new Smart Playcast touchscreen audio system, measuring 17.78cm (7 inches), which includes MP3/AM/FM/Bluetooth/USB connectivity and smartphone integration through Apple CarPlay and Android Auto. The audio system is complemented by four speakers. However, features like dual-tone black x brown interior, ambient lighting, Arkamys sound tuning, and premium sound with special speakers are not available.

The interior is further accentuated with a 4.2-inch TFT color information display, chrome inside door handles, gloss silver IP garnish, and satin chrome front ventilation knob. Additionally, it includes satin silver center ventilation knob and fin, satin chrome steering garnish, gloss black paint + satin silver paint shift garnish, satin silver hazard garnish, and matte black air conditioner control panel.

Other interior features include satin chrome rear AC vent garnish and knob, silver front door garnish, black fabric door armrests, resin switch bezels, artificial leather seats with perforations, assist grips (three in total), luggage shelf strings, spot map lamp (roof front), reading lamps on each side of the roof, trunk/luggage room lamp, glove box light, and front footwell lights for both the driver and co-driver sides. However, courtesy lamps are unavailable in this variant.

The Urban Cruiser Hyryder Neodrive S Variant offers a comprehensive range of comfort and convenience features. It includes Toyota i-Connect for connectivity needs, along with front sliding armrest with storage, USB ports (one in the front and two in the rear), adjustable tilt and telescopic steering, and power steering (EPS). Additionally, it features cruise control, steering-mounted audio, Bluetooth, and cruise control commands, and paddle shifters (available in AT only).

For climate control, it comes with an auto air conditioner, rear AC vents, and a PM2.5 filter. However, features like ventilated seats, drive mode switch, and auto folding outside mirrors are not available in this variant.

Other notable features include driver seat height adjustment, seat back pockets for both driver and passenger, separately folding rear seatbacks and cushions (60/40 split), reclining rear seats, removable rear headrests (3 nos), rear center armrest with cupholder, keyless entry, push start/stop button, power door locks (central locking), front and rear door pet bottle holders (1000ml capacity), power windows with driver-side auto up/down function, electrically adjustable outside mirrors with electric folding function, vanity mirrors for both driver and passenger, a ticket holder, a center console with two cupholders, accessory sockets in the center console and luggage room, gear shift indicator (available in MT only), and a driver footrest. However, features like wireless charging, panoramic sunroof, and head-up display are not available in this variant.
